updated – 01 March 2026

<b>Monthly subscription fee per Travelcard</b>	
Charge and fuelcard	€ 6,95
Charging card	€ 3,95
<i>The rate shown does not include fees based on the product options below.</i>	
<b>International refuelling (DKV)</b>	
Refuelling in Europe (one card, one PIN, for a monthly fee)	€ 2,00
<i>When using the DKV network, DKV charges a service fee. For the rates, see <a href="https://travelcard.nl/voorwaarden">travelcard.nl/voorwaarden</a>. In some countries, such as Belgium and Luxembourg, or at certain brands of fuel stations in other European countries, DKV charges a higher list price than the current pump price.</i>	
service fee DKV	
<b>Fuel price Travelcard network</b>	
Daily price or pump price	
<i>The pricing model depends on our offer to you. In the case of daily prices, Travelcard determines a fixed daily price per type of fuel, which applies to all transactions that day at every Dutch fuel location. Daily prices are communicated via the online customer environment. The pump price is the price as shown at the pump. See the Terms and Conditions for details.</i>	
<b>Electric Charging</b>	
Charging on public (fast) charging network in Europe	prices as shown in the Travelcard App
Charging keychain instead of charging card. Surcharge on the monthly pass fee.	€ 2,50
Service fee per kWh for the processing of home charging transactions	€ 0,01
